Regarding Visa Applicant:

Name: Ramin Tawab

Passport Number: C4YM6Z5N4

Company Name: BookB Ltd

Y Combinator has invited **Ramin Tawab** to visit our offices in Mountain View, California for interviews from April 29-30, 2019. If selected, they will be invited to participate in our 2019 Summer program, which takes place in Mountain View, CA from June through August 2019. **We strongly prefer to meet the full founding team of the companies we interview in person so it's critical that Ramin be granted entry into the United States.** We will reimburse all reasonable travel expenses for this trip.

Y Combinator selects 130 of the most promising young companies from around the world to participate in its program for entrepreneurs. We provide technical and strategic guidance and assistance with the fundraising process. Selected companies receive funding from Y Combinator in the amount of \$150,000.

Unfortunately, there is rarely much time between our decision to interview and the interviews themselves so we ask that you consider expediting the visa application appointment of **Ramin**.

If you require further information, please contact me at michael@ycombinator.com or (415) 786-9457.
